Corporate Member of the Association of Financial Advisers

We welcome you to Synchron. Our initial obligation at the start of the relationship is to fully inform you of your rights, entitlements and detail the services we provide.

This Financial Services Guide (FSG) is intended to inform you of certain basic matters relating to your relationship with our Authorised Representative and with us, prior to you being provided with an authorised financial service. Subjects referred to in this Financial Services Guide disclose who we are, contact details for ourselves and our Authorised Representative, how we and our Authorised Representatives are remunerated, what to do in the event of a complaint and the method by which we engage our professional advice process.

It is intended that this document should assist you in determining whether to use any of the services described. It is our duty to provide you with this document at the first available opportunity.

**This document is Part 1 of our FSG and should be read in conjunction with 'Part 2 – Adviser Profile', which will be given to you with this FSG. The two parts make up the FSG and the distribution has been approved by Synchron. The client receipt also included requires completion and needs to be held by your Authorised Representative as a record.**

## Getting started

### Who is your Adviser?

Your adviser is an Authorised Representative of Synchron. Details of your adviser and the charging methodology are contained in the attached Adviser Profile.

### Who is responsible for the advice given to you?

Synchron is responsible for the financial services provided to you.

### What financials services are offered?

Synchron is the holder of an Australian Financial Services (AFS) Licence which allows us to provide financial product advice and deal in the following financial services:

- Deposit Products
- Non Basic Deposit Products
- Government debentures, stocks or bonds
- Life insurance investment products
- Life insurance risk products
- Managed Investments including Investor Directed Portfolio Services
- Managed Discretionary Accounts
- Retirement Saving Accounts
- Securities
- Standard Margin lending facilities
- Superannuation

The Adviser Profile page outlines the financial services that your adviser is authorised to provide on behalf of Synchron. Your adviser is also not able to provide advice on products that are not on Synchron's Approved Product List or have not otherwise been approved by Synchron.

### **Before receiving advice**

#### **Will we provide you with advice suitable to your needs and financial circumstances?**

Yes. In order to provide quality advice you need to supply us with your individual objectives, financial situation and needs. You have the right not to divulge this information; if you do not wish to do so then we are required to warn you that before acting on the advice provided, you will need to consider the appropriateness of the advice in regard to your personal situation and needs. You should ask your Authorised Representative about these consequences if you are not sure.

#### **What should you know about the risks of the financial products or strategies we recommend to you?**

Our Authorised Representative will explain to you any significant risks of financial products and strategies which are recommended to you.

#### **What information do we maintain in your file and can you examine your file?**

Our Authorised Representative will maintain a record of your personal profile, which includes details of your objectives, financial situation, needs, copies of recommendations made to you and any products acquired by you.

If you wish to examine your file, we ask that you make a request in writing and allow up to fourteen (14) working days for the information to be forwarded. You may be charged a fee to cover the cost of verifying the application and locating, retrieving and copying any material requested. If the information sought is extensive, you will be advised of the likely cost in advance and we can help to refine your request if required.

### **Provision of advice**

#### **When will you receive a Statement of Advice?**

You are required to receive a Statement of Advice whenever our Authorised Representative provides you with personal advice which takes into account your objectives, financial situation and needs. This Statement of Advice will contain the basis on which the advice is given, personal information, recommendations and information about fees, remuneration and associations which may have influenced the provision of the advice.

Thereafter, if your circumstances have not significantly changed our Authorised Representative can provide you with another Statement of Advice or a Record of Advice as a confirmation of the advice provided. You are able to request a copy of these documents at any time up to a period of seven years.

### **Product Disclosure Statement**

When our Authorised Representative makes a recommendation to acquire a particular financial product, you must also be provided with a Product Disclosure Statement from the issuing product provider which gives full details of the recommended product to assist in making an informed decision to acquire that product.

#### **How will you pay for the services provided?**

A fee may be charged for a Statement of Advice. This may be waived or partially offset by brokerage or fees if you proceed. Upon implementation of the recommendations, our Authorised Representative may receive an upfront fee, brokerage (for risk insurance products) or a combination of both depending on how you agree to pay for the services. Fees can be based on total funds placed, the time spent on the Statement of Advice or as agreed between you and our Authorised Representative. This agreement will be disclosed in your Statement of Advice.

#### Life Insurance advice

If you decide to purchase a life insurance product, unless stated to the contrary in your Statement of Advice, Synchron has elected to receive brokerage from the product providers and not invoice you directly for services provided. Depending on the product recommended and the decision made in relation to the spread of income, this brokerage ranges from 25% to 130% of the first year premium and between 2.5% and 35% of the renewal premiums as each one is paid. Brokerage paid to Synchron is not an additional cost to you, but is paid by the insurer. For example, if your premium is \$1,000 per annum, we will receive an initial brokerage from \$250 to \$1,300 and ongoing brokerage from \$25 to \$350 per annum.

Our Authorised Representative may invoice you for insurance products discontinued within the first 13 months from the date of acceptance by the insurer, at an hourly rate with a minimum of two hours. This charge is to cover the administration costs outlaid.

#### Investments and Superannuation advice

If you decide to proceed on the investment or superannuation advice provided, the fee you may be charged will be dollar based or may be calculated as a percentage of the amounts invested. The fee may also be reflective of an hourly rate. For details, please refer to the enclosed Adviser Profile page.

All fees and brokerage are paid to Synchron who deducts a fee for the services it provides as the licensee and then pays the balance to your adviser subject to any agreements. Some of our Authorised Representatives have referral arrangements with other professionals. Where a referral agreement is in place between the Authorised Representative and a third party, a fee of up to 50% may be paid or received. Detailed disclosure of amounts and percentages will appear in your Statement of Advice if applicable.

A review service fee may also be payable from time to time, depending on any extra work required such as a major restructuring. Further details are provided in the Adviser Profile page.

### **Conflicts of Interest**

Neither Synchron nor its directors hold any shares, loans or have any relationships or associations with any institutional product issuer that could be expected to influence the provision of financial services.

Synchron and our Authorised Representative may receive additional benefits from product providers we deal with. These will include sponsorship for the purpose of making available professional development to our Authorised Representatives, and may also include lunches, invitations to sporting events, theatre tickets, branded promotional items, and occasional gifts such as Christmas hampers and bottles of wine on special occasions etc. A register of any such payments or support received is maintained at Synchron's head office and in the office of our Authorised Representative and may be viewed on request. Non-monetary benefits that are accumulated to total above \$300 for each provider is considered 'conflicted remuneration' and is banned. Additional benefits are not permitted to be paid to our Authorised Representative if they are as a result of, or conditional on, the amount of business an Authorised Representative gives to a product provider.

Outside of normal brokerage sharing arrangements, Synchron may be entitled to bonuses, incentives or expense rebates from product providers based on the total income generated from certain products given that they were arrangements entered into prior to 1 July 2013. These amounts are paid out of the product providers own administration fees and do not increase the management fees you pay, or the Management Expense Ratio above what you would normally pay if these payments were not in place. Synchron has such arrangements with TAL, OnePath, MLC, Asgard, AIA, Netwealth, BT Life, Colonial First State and AMP.

The exact amounts of brokerage, bonuses or other incentives receivable by our Authorised Representative in relation to the financial services provided to you will be included in your Statement of Advice or Record of Advice.
