FF Financial Services Pty Ltd | 553987

Version 5 - 29-06-26

**Understanding the advice process
and our relationship with you**

PURPOSE

This **Financial Services Guide** (FSG) explains the financial services and advice provided by FF Financial Services Pty Ltd and your Financial Adviser (Adviser), who is an authorised representative of FF Financial Services Pty Ltd. The FSG provides information on what to expect during the financial advice process including the types of documents you are likely to receive, how we manage privacy, related parties and potential conflicts of interests, and how we manage complaints.

This FSG should be read in conjunction with the **Adviser Profile**. The Adviser Profile contains important information about your Adviser including relevant authorised representative number, qualifications, experience, areas of authorisation, how they get paid and fees that you may be charged. If you have not received an Adviser Profile, please ask your Adviser for a copy, or contact us directly.

Please take the time to review both the FSG and Adviser Profile before engaging our services.

NOT INDEPENDENT

FF Financial Services Pty Ltd and our advisers may receive commissions associated with the issue of life insurance products.

While all life insurance product providers we recommend pay the same commission rates, the receipt of these commissions means we do not represent ourselves as independent, impartial or unbiased as defined in section 923A of the Corporations Act 2001.

Please refer to the 'Remuneration' section for more information.

THE ADVICE PROCESS AND DOCUMENTS YOU MAY RECEIVE

Your Adviser will guide you through the advice process. This includes the following steps:

ENGAGEMENT AND DISCOVERY

In the initial stages of the advice process your Adviser will work with you to define your financial goals and objectives, and gather relevant information required to provide you appropriate advice.

Your Adviser will generally collect relevant information within a **Client Data Form** and file notes. You can expect to be asked questions related to your income, expenses, assets, liabilities, insurances and superannuation. It is important that you provide accurate information and keep your Adviser informed of any changes to your relevant circumstances. Your Adviser will ask you to consent to your personal information being collected and stored. Please refer to the 'Privacy' section for more information on how we manage your privacy.

Where your goals relate to investment or superannuation advice your Adviser will also work with you to define your level of risk tolerance. A **Risk Profile Questionnaire** may be used to document and agree upon your level of risk tolerance.

Your Adviser may also use an **engagement document** to define the arrangement with you, and the fees that may apply.

Your Adviser will also need to verify your identity to comply with Anti-Money Laundering and Counter Terrorism Financing laws.

STRATEGY AND PERSONAL ADVICE

After obtaining relevant information, your Adviser will conduct research and develop a strategy to assist you to meet your goals and objectives. The strategy is typically developed utilising specialised financial planning software.

Where personal financial product advice is being provided, the strategy will be documented in a **Statement of Advice**. The Statement of Advice will include amongst other things, the basis of the advice, explanation of the strategies and products recommended and relevant disclosures including costs of advice and products. The Statement of Advice includes an authority to proceed section where you can consent to proceed with the recommendations.

Where a financial product has been recommended, you will generally be provided with a copy of the relevant **Product Disclosure Statement** (PDS). The PDS includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

IMPLEMENTATION

Where you elect to proceed with the recommendations your Adviser will work with you to implement the strategy. This may include liaising with various insurance, superannuation, or investment product issuers.

Where the recommendations include the purchase of a new financial product, your Adviser will work with you to complete the relevant **Product Application Form**. This may be online, or paper based.

Where the recommendations include the purchase of an insurance policy, you may also need to complete a **Health Questionnaire**. This could be online, paper-based or over the phone. It is important to disclose any health or personal matters truthfully. Failure to disclose certain matters may result in a claim being denied.

GENERAL ADVICE

Your Adviser may provide you with general advice that does not consider your personal circumstances, needs or objectives. Your Adviser will give you a warning when they provide you with general advice. You should consider whether you need personal advice which takes into account your individual situation before you make any decisions.

FURTHER ADVICE

Depending on your relevant circumstances, you may require further advice such as adjustments to superannuation contributions, insurance benefit amounts, or a review of your strategy.

Further advice can generally be documented in a **Record of Advice** and relevant file notes. In some instances, a Statement of Advice may be required.

You may request, in writing, a copy of any advice document up to seven (7) years after the advice has been given.

An **Ongoing Fee Arrangement** may be utilised to formalise the ongoing services that your Adviser has agreed to provide for a fee.

You may be required to sign a Consent Form that is provided to your relevant investment or superannuation provider. The Consent Form will detail the services offered and estimated fees for the next 12 months.

You may cease any fee arrangements or disengage from your Adviser by providing written notice to your Adviser or product issuer.

HOW TO PROVIDE INSTRUCTIONS

Your Adviser may accept your instructions by phone, letter, or email. In some instances, your Adviser can only accept written instructions from you, and they will let you know when this is required. Your Adviser will also need to verify your identity prior to acting on instructions.

REMUNERATION

Before providing you with advice, your Adviser will agree with you the fees that apply and explain any benefits we receive.

Advice preparation

You may be charged a Statement of Advice preparation fee which will depend on the complexity of your individual circumstances and type of advice you require. Any fee for service must be paid within seven (7) days of the date of the tax invoice issued to you. The fee may range from \$0 - \$30,000.

Implementation

We will outline the details of any fees, including Implementation Fees, for you to authorise before any work is carried out.

If you elect to proceed with our advice the fee will range from \$0 to \$30,000.

Insurance products

My company or I may receive up-front commission of up to 66% of your first annual insurance premium for arranging your cover.

In addition, my company or I may receive, after the first year, an ongoing annual commission of up to 35% of your annual insurance premium. Note that where commissions are the same for initial upfront and ongoing annual commission (i.e. level commissions) the above commission caps do not apply.

These commission payments are made by the relevant product issuers and are not an additional cost to you.

Ongoing fee for advice

If you elect to pay a fee for access to services involved in the ongoing review of your financial planning strategy, the ongoing fee is based on the complexity of ongoing advice and the services provided.

The ongoing advice fee will be based on the level of services made available to you and the complexity of the advice. Complex advice requirements include the use of trusts and ownership structures, overseas assets, or incomes, executive options, or multiple investment entities. The frequency that review services are made available to you will also impact on the fee charged.

The ongoing advice fee can range from \$0 - \$50,000 per annum.

Ad hoc advice

Where you do not wish to participate in an ongoing advice fee arrangement but require ongoing advice on an ad hoc basis, an hourly fee of between \$0 and \$700 per hour may apply.

Other benefits, interests or associations

I have a referral arrangement in place where a third party may receive a portion of the upfront advice fee if they refer a client to me. Details of this arrangement, including any payments made, will be provided in your advice document if it applies to you.
